

IAMIC

Illinois Association of Mutual
Insurance Companies

IAMIC is the only association in Illinois lobbying directly on behalf of the mutual insurance industry. We work the halls of the capitol with the mutual insurance industry interests in mind.

Whether faced with a new tax, limits being placed on how companies may operate, or changes to the Farm Mutual Act, IAMIC is there to help. We monitor the legislation that is important to mutual companies and educate our legislators on the industry and what we need to be successful.

IAMIC's involvement in the process does not end there however. We are also involved with the Illinois Department of Insurance and have developed a good working relationship with these regulators.

The mission of IAMIC is leadership, committed to the growth and development of the mutual insurance industry for the benefit of its members.

In addition to the above mission statement, the objectives of IAMIC are to:

- Foster and perpetuate the principles of the farm mutual industry
- Advance the professional competence of IAMIC members
- Promote confidence and goodwill within the insurance industry and between this industry and the general public
- Perform services to members as they may decide advantageous to their collective needs, from time to time, as may be appropriate
- Communicate and cooperate with other groups and persons whose interests coincide with IAMIC members.

IAMIC works extremely hard to protect the best interests of our members. We worked to make sure the Corporate Governance Annual Disclosure legislation did not include the Illinois Farm Mutual Act. This year our agenda is to develop legislation aimed at protecting consumers from public adjusters and contractors that take advantage of people after catastrophe strikes their home. The goal is to develop a timeframe from when the insurance company receives a written contract, instead of 3 business days from when a contract has been signed. This is not only a company protection but a consumer protection we hope to implement, but we need your help.

In order to advance our agenda and mission of IAMIC we need your support to our IAMIC Farm Mutual Political Action Committee (PAC). Supporting PAC is one of the most impactful investments in the future of our industry, a contribution to IAMIC PAC is an unimaginably small fraction of what even one of the many bad bills and regulations could cost your agency. We're committed to defending your interests and those you serve to protect. Please support our fight and contribute today.

Please send your contribution to: IAMIC Farm Mutual PAC, P.O. Box 116, Ohlman, IL 62076

Political Action Committee – An excellent way to have your voice heard by combining membership resources and presenting ideas as one unified group.

I'd like to support the mission of IAMIC's legislative goals.
