Joe Reid Scholarship Form Congressional Contacts Program (CCP)

Joe Reid, IAMIC chair in 2011, unexpectedly passed away during his term. He was a huge advocate for our industry and always attended the CCP program in D.C. He recognized the importance of being a voice - being OUR voice - on the hill. He knew it could help make a difference and it often did.

A member's cost to attend the NAMIC CCP program should easily be built into every company's budget but sometimes a last-minute decision to attend or a hard-hit year of claims may prevent you from having the resources. If you are willing to provide your time, we have the scholarship to assist with the travel cost associated with this trip.

Apply on IAMIC website. The deadline for applications is **April 15**. Call Jackie with questions.
