

2023 IAMIC Dues Renewal

Our 2023 Theme is "Ride the Wave"

By renewing your dues, you will be part of our **PREFERRED VENDORS** list.

We need **YOU** to be part of our **success story**. Our goal is to provide members with vendors who share our values and who offer services that will help our mutuals be more efficient businesses

What is your Return on Investment?

The Benefits that come with membership

(Don't worry – we kept all the other benefits too!)

Preferred Vendor Link Our website will have a page of preferred Vendors. We will include your Company Logo and a link to a 2–3-minute welcome video that you provide.

Searchable toolbar Our website will offer a search toolbar by specialty; this will allow members to find you by your specialty and make an instant connection for those that need your service.

Company Webinar (30 minutes) An exciting new opportunity to highlight your company skills to IAMIC members. These are educational and informational webinars only offered to Preferred Vendors and provided to all members. Ask me how to get your spot reserved.

Preferred Vendor Media Post - Permission to post on IAMIC social media accounts to help get your name in front of our members and help establish your credibility.

BE AN EXPERT - A new opportunity to participate on our "Community Forum" pages. You will be able to schedule a day when you will be available to answer questions from our members regarding your expertise. You will be the only one allowed to answer, and it will highlight your skillset to members. Be sure to contact Jackie to schedule your time.

Message from one of our members:

"We always enjoy exhibiting at the IAMIC convention. Jackie and her team work hard to put on a convention that is valuable to both attendees and exhibitors. There are so many great opportunities to build strong relationships."

Joel Peiffer – IMT Computer Services
