Tentative Schedule

Round Tables

Roundtables allow members a chance to exchange ideas and solutions to the day-to-day issues that a mutual could face. Bring your issues to the tables where peer-to-peer sharing can help you find solutions. We have a wealth of knowledge in our membership who are willing to share.

The Eight Year Love Story

This presentation will explore a complex Farm Fire with many twists and turns. We will examine the various adjustment and investigation tools used in the defense of this eight-year claim and lawsuit filed by the Insured.

Cause & Recovery

This presentation will feature an attorney discussing the relationship between origin/cause experts, investigations, and the role of subrogation attorneys in recovery efforts, and how these elements are interconnected. Discussion of an actual arson claim and the final outcome of it.

The Great Reset of The Industry

In 2025, the insurance industry will undergo a significant reset. The changes the industry has experienced in recent years have compelled companies to introduce new exclusions and limitations. This presentation will outline the eligibility requirements for new business and highlight key considerations regarding the implementation of these exclusions.

The Art of Exaggeration

In this presentation, we will discuss critical red flags to watch for and how to differentiate between innocent embellishments, material misrepresentations, and criminal fraud. Additionally, we will explore tools and resources that can help reduce uncertainty and assist in uncovering the truth. Join us to learn more about addressing this concerning trend in the industry.
